Objective

Motivated and detail-oriented Bachelor of Computer Science student of 6th semester, seeking an internship or entry-level position in Front-end development or Software development. I aim to leverage my programming skills and project experiences to deliver effective solutions while gaining real-world exposure.

Skills

- **Programming Languages:** C, C++, Python, Basic AI Algorithms.
 - **Databases:** SQL Queries, MongoDB
 - **Core Competencies:** Data Structures, Object-Oriented Programming (OOP), JavaScript, HTML, CSS Frameworks/Libraries, React, Node.js
 - **Tools:** Microsoft Word, PowerPoint, VS code
 - **Soft Skills:** Problem-Solving, Communication, Teamwork
-

Projects

- **Contact List Application (C++):** Built a CLI-based contact manager with add, delete, and search features.
 - **Hospital Management System:** Designed a database-driven system to manage patient records and appointments.
 - **Dictionary Application (C++):** Created a dictionary using data structures for efficient word search and storage.
 - **Interactive Calculator:** Built a functional calculator using HTML, CSS, and JavaScript
 - **Image Search Engine:** Developed a frontend app to search and display images using JavaScript and API integration.
 - **Secure Login/Signup Page:** Implemented authentication with React, HTML, CSS, and JavaScript.
 - **Recipe List App:** Developed a CRUD-based React application with add, edit, and search features using React Router DOM.
 - **Restaurant Menu Management App (MERN Stack):** Built a full-stack restaurant web app with an admin panel for menu management (add/edit/delete), JWT-authenticated login/signup, image uploads, user cart functionality, and order viewing.
-

Experience

- Volunteer Teacher, Faiz-ul-Islam, Faizabad Rawalpindi (2024)
 - On Spot Programming Competed in the 10th Excite Cup
 - Recipient of multiple Dean's Honor Awards in recognition of exemplary academic performance and outstanding conduct
-

Certificate:

- Dean's of Honor Awards
 - Excite Cup Participation
 - Financial Literacy Training Program
-

Education

Bachelor of Computer Science

Capital University of Science and Technology (CUST), Islamabad

CGPA: 3.9/4.0

Expected Graduation: September 2026
